WHAT SHOULD I KNOW ABOUT PORTFOLIOS?

It is a program of Catholic Charities of Broome County. Portfolio's Café opened in March of 1987 and since that time has employed over 300 individuals, many of whom have established a successful job history for the first time and/or have gone on to successful competitive employment. Catholic Charities takes great pride in the current and past employees who have participated in the program under the guidance of the Café Managers and Supervisors. Their work represents another step forward in building a comprehensive community mental health system.
